Dear Norman:

STATOTHR

This is the case I mentioned the other night.  not only has what appear to be good qualifications on the record, but some people I have talked to who know him well speak very highly of him and of the performance of his duties in Germany. If you want some of these references I can get them for you easily. At the moment I do not have anything open for anyone of this sort, but might have a future interest.

If you find there is no interest in the Foreign Operations Administration, would you please arrange to have this file returned to me.

Sincerely yours,

/s/
